

Make brands Happy when they expect more.

Happy Brands

Niche **manufacturer** of **sustainable promotional items**,
focusing on quality, sophisticated design,
and on-demand solutions.

How plastic pollution affects our planet?

Why sustainability is important
for me and my Brand?

Less than **0.6%**

of the all plastic pens are made of recycled or biodegradable materials.

Recycling
materials

can reduce resources consumption

from **30%** to **80%**

Ecological problem: Brands

Customers have changed!

- An international study of 20,000 customers by Unilever identified that **33%** of people buy from brands they believe are doing something **good for the environment**.
- Nielsen Insights suggest the majority (**73%**) of consumers would change their consumption habits to **reduce their impact on the environment**.

What should I do?

- Buy from **environmentally friendly** manufacturers and suppliers.
- Promote your brand, product and philosophy to customers only in a **sustainable manner**.
- Strive to achieve **100%** sustainability.

It is not enough to provide great product – it must be **sustainable**.

Sustainability is becoming an industry standard for brands and companies in the European Union.

How can we help?

Happy Brands

We are a **manufacturer** who helps brands and people to communicate in a sustainable way with **quality promotional products**.

We are the **first company** in the promotion market to have started caring about environmental sustainability. We made our first pen from **ecological materials** in **1992**.

With over **30 years** of experience in designing and creating genuine **eco-friendly products**, we have come a long way to bring you the best promotional products available today.

Happy
Gifts

- We are committed to using **eco-friendly technologies** to produce our products

Our brands

- We strive to **minimize resource consumption**
- We work with **environmentally friendly** transport companies
- We use only **green energy**

Lecce Pen[®]

Sustainable pens for responsible brands

Lecce pen brand is known worldwide as the first European **sustainable** promotional pen manufacturer with traditions and production expertise since **1953**.

Brand values and philosophy:

- **Sustainability:** dedication to promoting sustainability through the production of eco-friendly pens, ensuring a positive impact on the environment and people.
- **Affordability:** aim to offer affordable promotional solutions, providing value for both - brands and people.
- **Efficiency:** allowing brands to achieve communication in a sustainable way with the least amount of resources, time, effort, and waste.
- **Higher quality:** brands can expect the same level of reliability and quality with each pen they purchase, without significant variations in color or defects.
