

## **Agency evaluation conditions.**

1. Each Agency cooperating with Happy Gifts Europ Sp. z o. o. after creating an individual customer account on our website, the customer receives a 35% discount on the catalog price.
2. In the first year of cooperation, the Agency is evaluated quarterly.
3. The value and quantity of orders placed by the Agency during the valuation period will be subject to evaluation.
4. Valuation takes place four times a year: at the end of March (for the period from January 1 to the last day of March), at the end of June (for the period from April 1 to the last day of June), at the end of September (for the period from July 1 until the last day of September and at the end of December (for the period from October 1 to the last day of December).
5. Valuations are only affected by invoices paid on time.
6. The higher the value of orders and the higher the frequency of placing orders, the higher the rating the assessed Agency receives.
7. If the conditions regarding the appropriate level of value and quantity of orders paid are met, the Agency is entitled to a higher discount percentage.
8. Depending on the number and value of orders, the Agency may be entitled to a 45% or 55% discount, with the exception of agencies that are in the first year of cooperation. These agencies will be awarded a rolling percentage, from 36% to 55%, in one percentage threshold.
9. After the end of the first 12 months of cooperation, the evaluation will take place once a year, at the end of December of the current year.
10. The established discount percentage will apply for the next 12 months, until the next evaluation.
11. If the Agency does not meet the conditions assigned to the previously granted discount threshold during the evaluation, the percentage of the discount granted will be reduced to the level assigned to the value and number of orders that the Agency placed and paid for in a given settlement period.

12. After logging in to your individual account on the Happy Gifts Europe Sp. website. z o. o. each Agency has its prices displayed according to the discount percentage granted to it.
13. The price list also includes discounts for orders of goods, where the price decreases when larger quantities of goods are ordered, in accordance with the thresholds included in the price list.
14. Price reduction due to quantity does not apply to the price list of services.
15. Information about the discount threshold granted will be sent to the Agency by e-mail.
16. The algorithm calculating the discount threshold due to the agency takes into account both the value and the number of orders placed in the settlement period.
17. The algorithm will be made available to the Agency for inspection upon its express written request.
